

COME TO THE TABLE

2026 VISION AND STRATEGIC GOALS

COMMUNION
AMERICA

VISION & MISSION

Awaken the Dawn exists to disciple America and the nations to host the presence of God leading to catalytic change.

Since 2017, Awaken the Dawn facilitated nearly 1,000 public worship, prayer, and outreach gatherings across university campuses and cities—calling a generation to lift up the name of Jesus in public spaces.

Our mission is not event-driven; it is a long-term discipleship movement raising up leaders, igniting prayer, evangelism, and worship, and mobilizing the body of Christ to bring the presence of Jesus to the center of public life.

COMMUNION AMERICA 2025: A DEFINING MOMENT

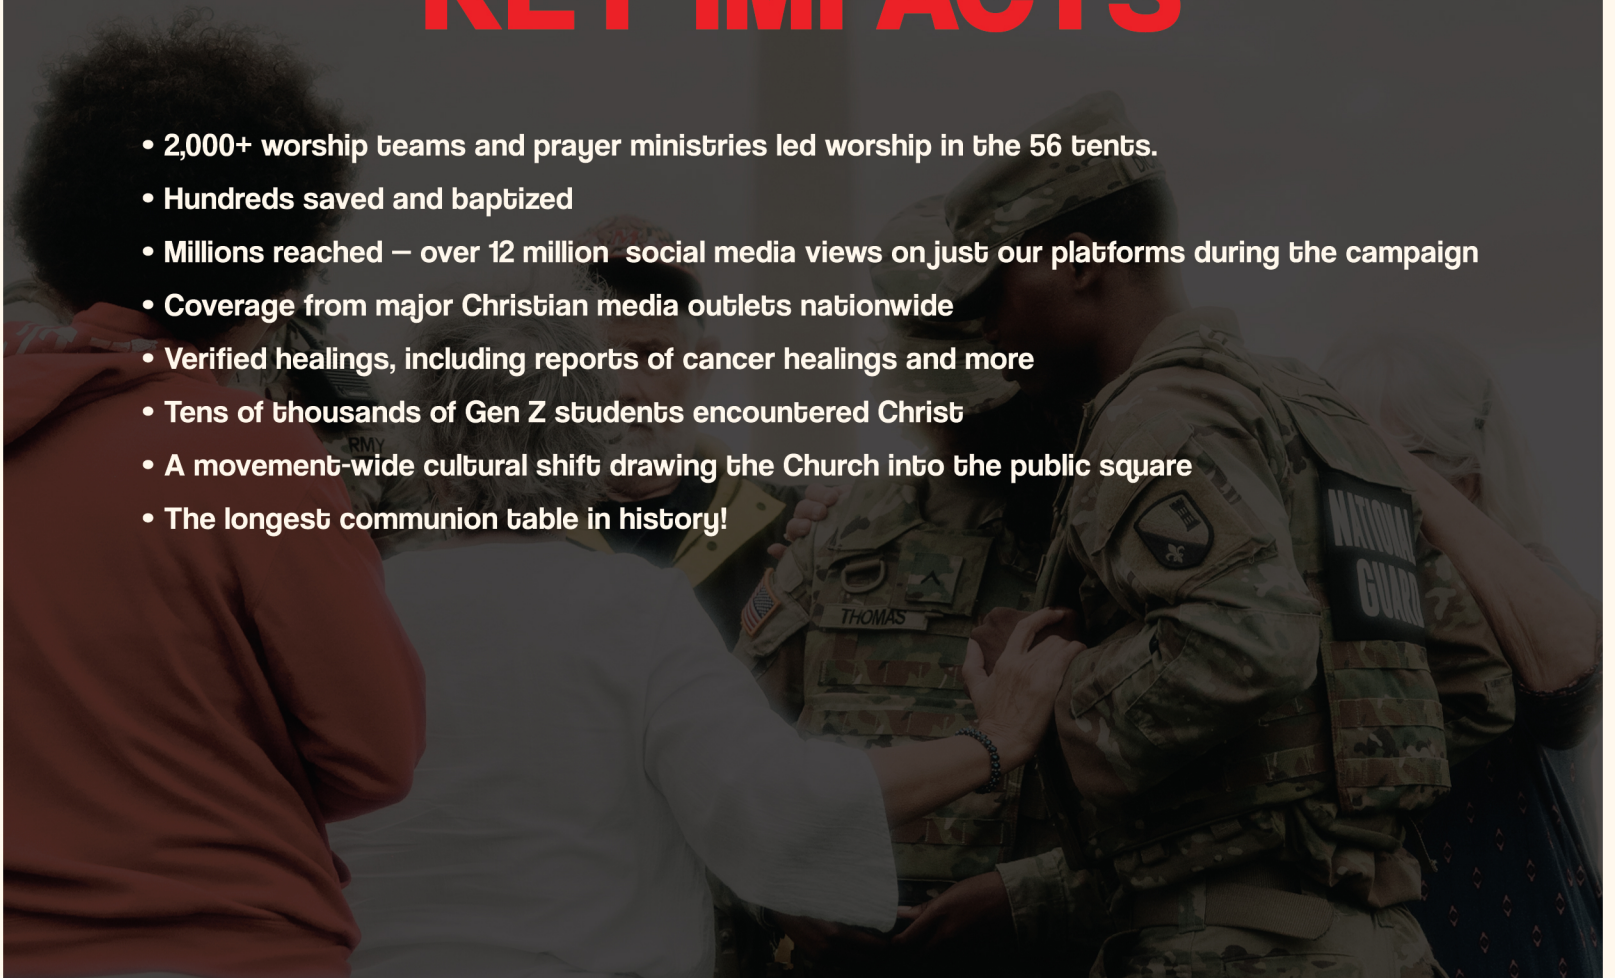

The year 2025 marked a historic turning point for our movement and for the Church in America.

Communion America 2025 became a national “yes” to the blood of Jesus being applied to our nation as the only pathway forward to great awakening and revival.

In 2025, believers from across the United States gathered in Washington, D.C. for Communion America, setting a table before the Lord on the National Mall through non stop worship and prayer in 55 tents, and the breaking of bread. It was a sacred moment of unity across generations, churches, and movements centered on the person of Jesus and the power of His body and blood.

KEY IMPACTS

- 2,000+ worship teams and prayer ministries led worship in the 56 tents.
- Hundreds saved and baptized
- Millions reached – over 12 million social media views on just our platforms during the campaign
- Coverage from major Christian media outlets nationwide
- Verified healings, including reports of cancer healings and more
- Tens of thousands of Gen Z students encountered Christ
- A movement-wide cultural shift drawing the Church into the public square
- The longest communion table in history!

MOMENTUM TOWARDS 2026

**NATIONAL MALL WAS A STAGING GROUND.
WE HAVE AN UNPRECEDENTED OPEN DOOR FOR
IMPACT.**

**IN RESPONSE TO COMMUNION AMERICA ON THE
NATIONAL MALL:**

Hundreds of cities and campuses have already signed up to host public communion, outreach, and nonstop prayer!

A wide-angle photograph of a large gathering of people on a green lawn, likely the National Mall in Washington, D.C. The Washington Monument is visible in the distance under a cloudy sky. People are sitting on the grass, some on blankets, others on chairs. A long white table with chairs is set up on the left side of the lawn. The text "COME TO THE TABLE 2026" is overlaid in large white letters.

COME TO THE TABLE 2026

Strategic Goals

COME TO THE TABLE 2026 IS THE NEXT CHAPTER OF THAT STORY.

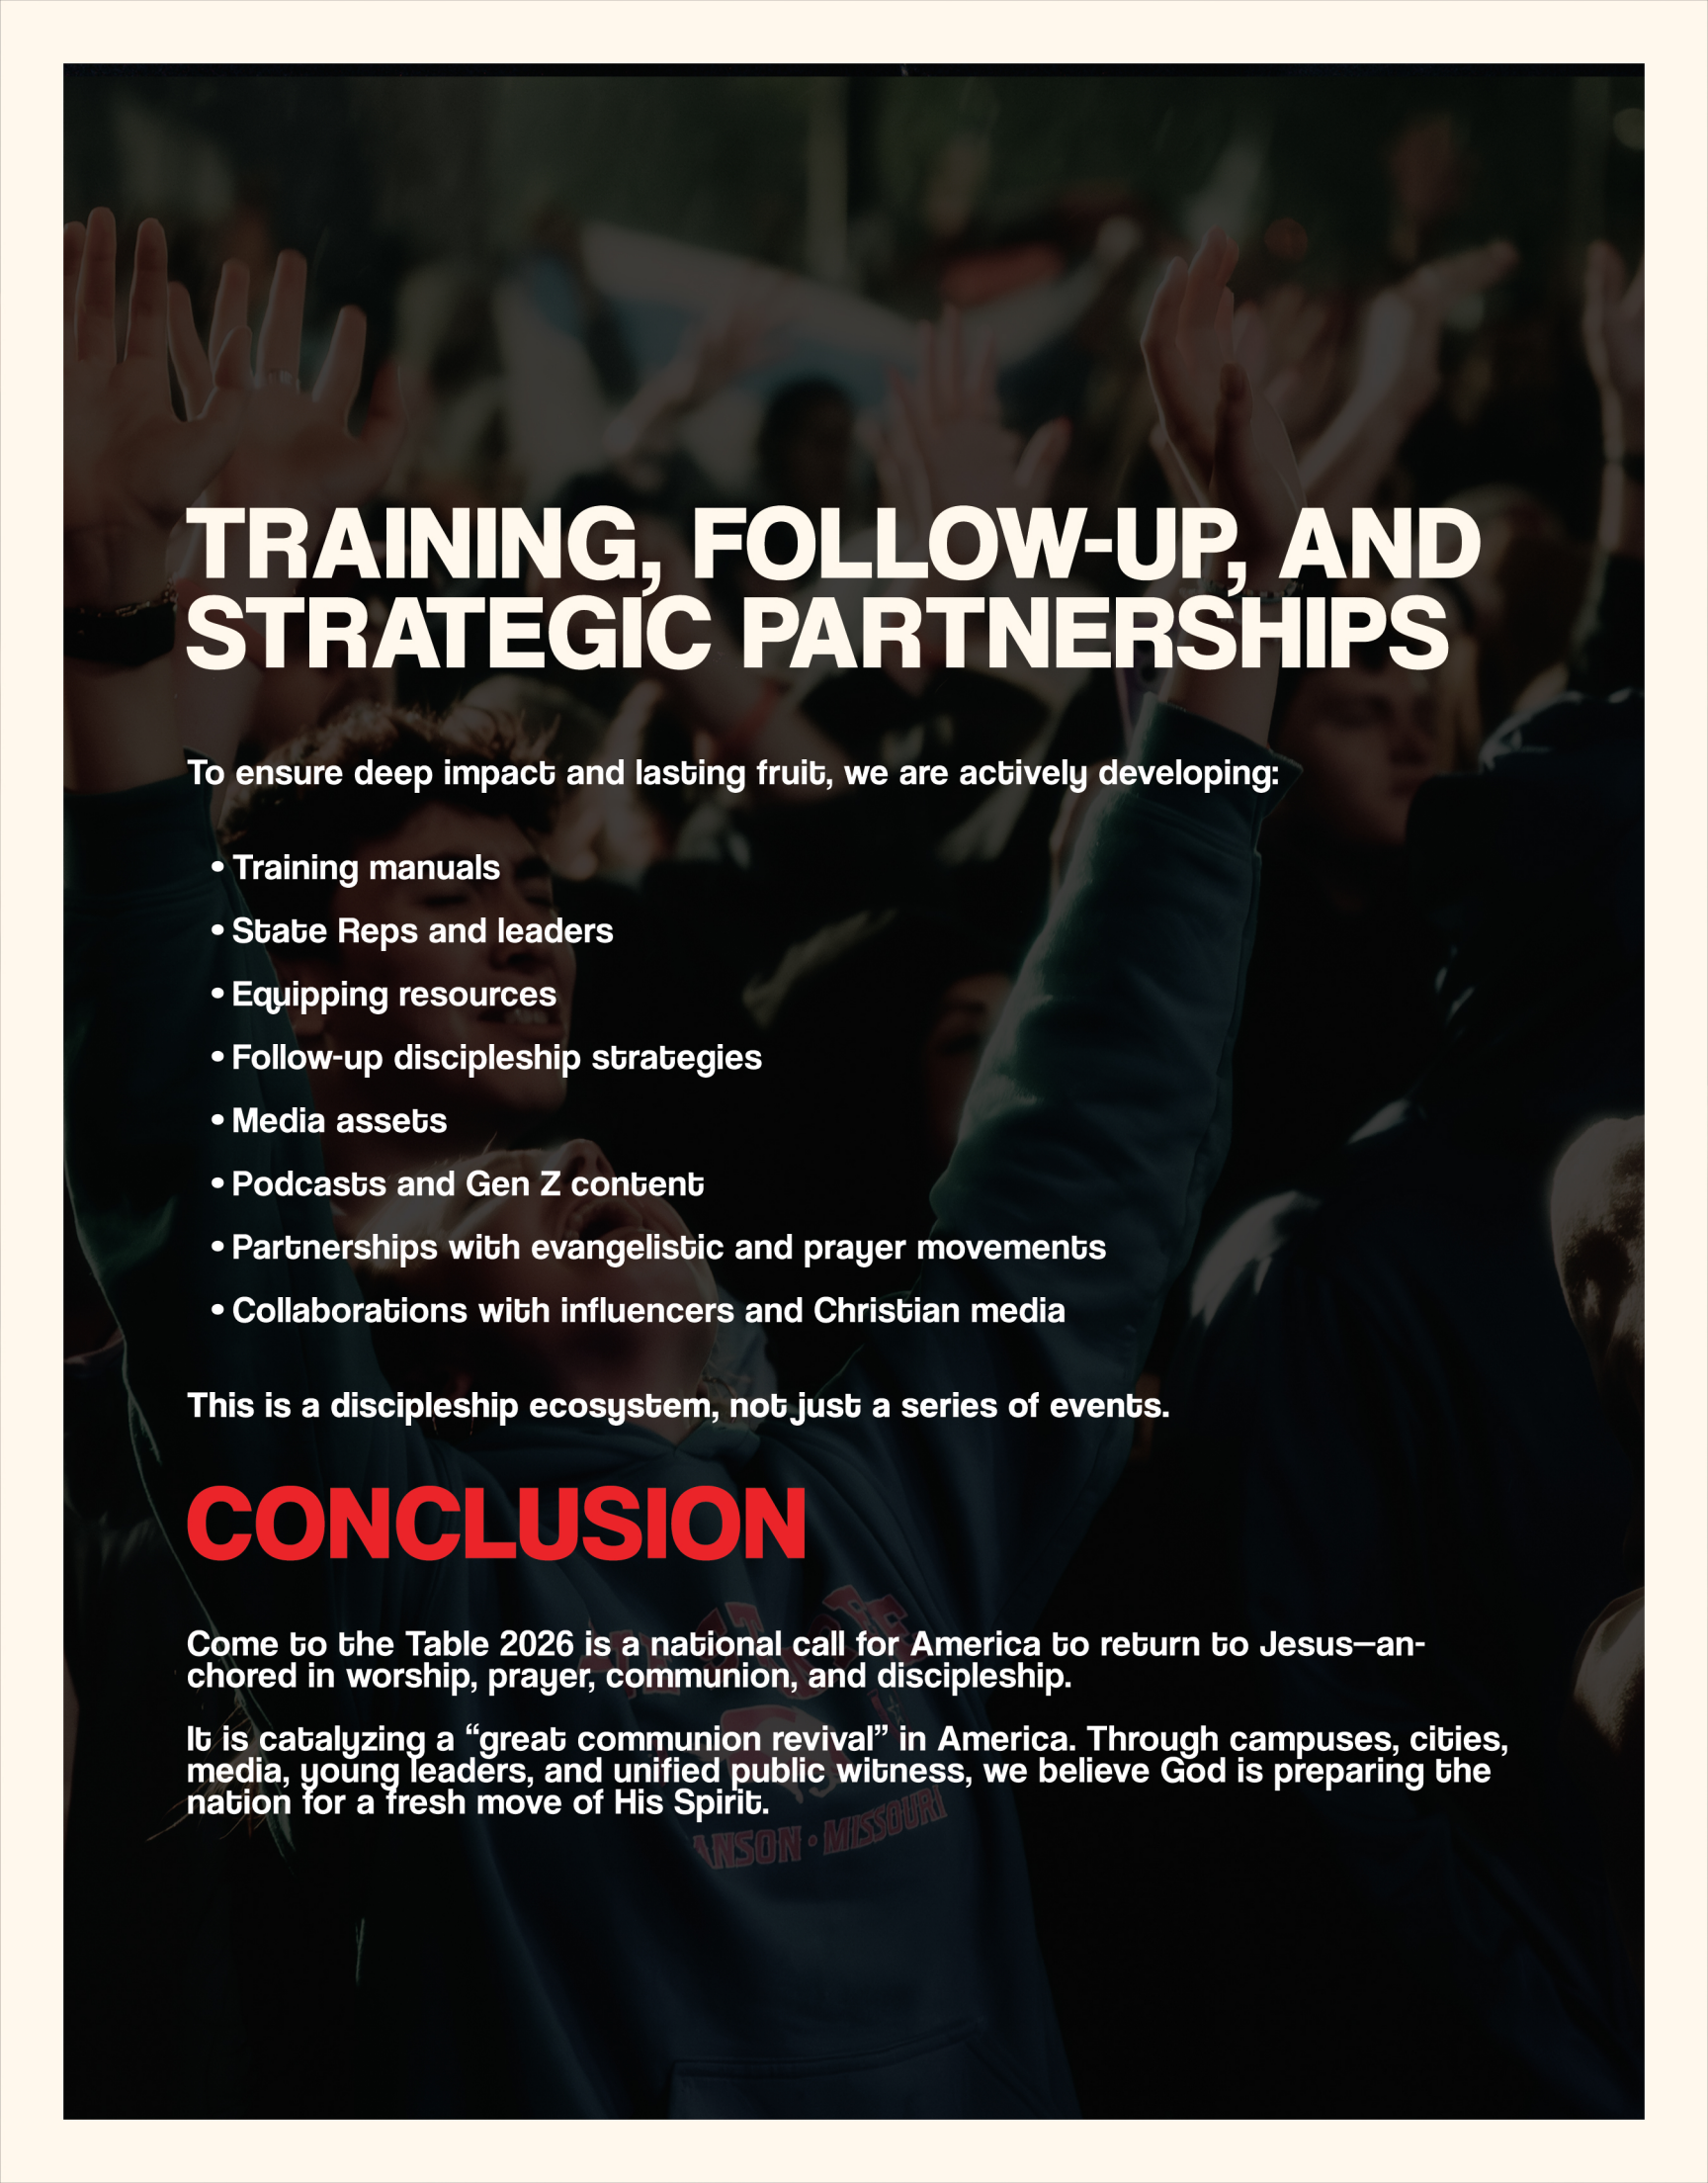

Rather than gathering in one location, we are inviting leaders across cities, campuses, and nations to host their own local expressions of worship, prayer, and communion. On September 24-26, 2026, communities around the world will gather for 50 hours of worship and prayer, culminating in a communion service as we behold Jesus together.

Instead of one table in one city, we believe the Lord is inviting His Church to set tables across regions and nations in the public square. A unified sound of worship and intercession will rise from many places at once—each gathering centered on Jesus and His finished work at the cross.

As believers gather around the Lord's table in their own regions, we are praying for greater unity across the Body of Christ and fresh spiritual awakening in cities and nations. It is the body and the blood of Jesus that brings us together and makes us one with one another.

We would be honored to invite you to host a Come to the Table gathering in your city or nation.

Your gathering can be simple and scalable: gather communities to one location for extended worship and prayer across the weekend, and close with a communion service that anchors the entire time around Jesus.

TRAINING, FOLLOW-UP, AND STRATEGIC PARTNERSHIPS

To ensure deep impact and lasting fruit, we are actively developing:

- Training manuals
- State Reps and leaders
- Equipping resources
- Follow-up discipleship strategies
- Media assets
- Podcasts and Gen Z content
- Partnerships with evangelistic and prayer movements
- Collaborations with influencers and Christian media

This is a discipleship ecosystem, not just a series of events.

CONCLUSION

Come to the Table 2026 is a national call for America to return to Jesus—anchored in worship, prayer, communion, and discipleship.

It is catalyzing a “great communion revival” in America. Through campuses, cities, media, young leaders, and unified public witness, we believe God is preparing the nation for a fresh move of His Spirit.
