COME TO THE TABLE 2026

BE PART OF THE NATIONAL MOVEMENT

A Movement of Prayer, Worship, and Public Witness

More than an event, *Come to the Table* is part of a long-term discipleship movement dedicated to raising up leaders, igniting prayer, evangelism, and worship, and mobilizing the Body of Christ to bring the presence of Jesus into the heart of community life.

A Historic Moment of Unity

In 2025, believers from across the United States gathered on the National Mall in Washington, D.C., for three days of continuous worship and prayer, culminating in the breaking of bread together. Across 55 tents stretching from the Capitol to the Reflecting Pool, churches, ministries, and generations united around one table to declare that the hope of awakening and revival is found in Jesus Christ alone.

A National Movement Becomes a Local Invitation

Rather than gathering around a single table in one city, we believe the Lord is inviting His Church to set tables across regions and nations in the public square. A unified sound of worship, prayer, and intercession can rise from many places at once—each gathering centered on Jesus and His finished work on the cross.

As part of this movement, on September 24, 2026, believers and churches from across Cache Valley are invited to gather at Willow Park for an evening of worship, prayer, outreach, and communion. Together, we can demonstrate the unity of the Body of Christ and create a visible witness of Jesus' presence in our community.

Join us as we come to the Table.

How Can My Church Participate?

1. Share the invitation. Announce the event to your congregation and distribute flyers or promotional materials.
2. Lead a portion of the gathering. Consider facilitating a prayer, outreach, communion, scripture reading, or worship segment. Worship teams are invited to lead one or more 30-minute worship sets.
3. Pray with us. Join us in interceding for unity in the Church, spiritual awakening, and the impact of this gathering in Cache Valley.
